### **STRATEGIC OBJECTIVE #11**

**(Increased Access to Quality Education and Livelihood Skills in Selected Areas, Particularly Those Most Affected by Poverty and Conflict)**

**Warm welcome.** Students wave the Philippine and US flags as they welcome officials from the US embassy, United States Agency for International Development, and city government to the Amai Pakpak Central Elementary School in Marawi City where instructional materials were provided by USAID. The program also trained the members of the local school board, and mobilized parents and community leaders, to strengthen local government and community responsiveness to the education needs of community.
